HECTOR FABIO ARIAS MONSALVE

Wildlife Biologist

PROFILE:

Hector is a biologist and certified tourism guide of the SENA (National Learning Service of Colombia) with more than 15 years of experience in nature tourism and photography tours of fauna and flora. He has worked as a researcher at the Museum of Natural History, the Botanical Garden of University of

Caldas and the Coffee Ecological Foundation, developing different research programs about conservation of fauna and flora, specially amphibians and threatened reptiles of the Andes. He is currently pursuing his master's degree in biological sciences, evaluating the current status of puma populations in the buffer zone of Los Nevados National Natural Park and the conflict between felines and local communities. Hector is an excellent guide and is always willing to share his knowledge, he is honest, friendly and passionate about nature photography, a field in which he has received several recognitions.
