FABIO NELSON ARIAS

Birding Guide

PROFILE:

Fabio is a certified tourism guide of SENA (National Learning Service of Colombia), he started in the birdwatching in 2007 by chance when he received a book "The Birds of Colombia" (Hilty and Brown), since then he has worked in natural reserves where he was in charge of showing the diversity of plants and specially in birds. Since 2014 he started to photographing birds and he has obtained several awards in local photography contests; currently guiding tours of photography and birdwatching in some areas of Colombia. He has carried out environmental education projects and training for future birdwatchers in the coffee region and he has participated in international fairs such as the South American Bird Fair and the British Bird Fair.
