

OUR TEAM

PAOLA ANDREA SEPÚLVEDA

Wildlife Biologist

PROFILE:

Paola is a biologist and certified tourism guide focused in nature and bird watching, with 14 years of experience as a nature guide and high mountain in Los Nevados National Park, home of the Buffy Helmetcrest. Five years ago she fell in love with birds and these wonderful beings became a fundamental part of her life. During this time she has participated as a birding guide in the Bird Watching Congress of Manizales and the 8th South American Bird Fair in 2018, currently she is an active member of the Caldas Ornithological Society and the Ornithological Research Group of the University of Caldas. She has worked on different environmental projects in the eco-parks of Manizales and also in the research "Current state of knowledge of birds in Caldas" in 2018, also in several researches with amphibians and reptiles of the Andes. Her skills and personality make her stand out in the guild as a responsible person, enthusiastic and passionate for her work.
